

Join us for **21 days** of prayer and fasting from the 7th to the 28th of January. As a church we are taking time to review, refocus and realign ourselves with the Lord. During these 21 days we will be reflecting on Nehemiah and allowing God's Word to inspire us to rebuild spiritual walls in our own lives, as a church and in our city. Let us build together as we prepare for a year of transformation!
