

On the 24 April from 15:30 – 17:00 we will have a church service under the Friedensbrücke together with the homeless in Frankfurt. Please note that we are not meeting at Eastsite 15 on that day.

Church under the Bridge

The background image shows the interior of a large, empty hall, likely under a bridge. The ceiling is dark with visible structural beams and pipes. The floor is dark and appears to be made of concrete or stone tiles. In the background, there are some colorful, abstract sculptures or installations. A semi-transparent white banner is overlaid across the middle of the image, containing the text 'Church under the Bridge' in a large, black, sans-serif font.
