## Steve Porter

“In His presence we are filled... then we overflow. But with continuous intimacy with the Lord, and setting our lives apart, we are not just being filled with His presence every time, but we carry His presence wherever we go... this is how we burn!” *Steve Porter*

Steve Porter is an evangelist, author, and former pastor of 17 years. He lives in N.W Pennsylvania with his wife, Diane and their two daughters. As founder of "Soaking Place Ministries," Steve is a prophetic revivalist with a passion to

see the kingdom of God manifested on the earth today. He is convinced that through deep intimacy with God, as well as obedience to His voice, we will see the manifestation of God's glory. Steve travels the USA and internationally, teaching and preaching on Intimacy with Jesus, the Manifest Presence of God, and the Prophetic. Steve's heart cry is to see the whole Body of Christ come into a place of intimacy with God and learn how to dwell in the secret place. Steve is the international director of "Team Impact University," an anointed network of over 500 Bible colleges throughout the world. He is a popular conference speaker and has a passion to plant churches and Bible schools. He is ordained through "Parousia Ministerial Fellowship" under Wade Taylor, his spiritual father of 17 years and is also an active member of the Forerunner Global Ministry Network with Bruce Ladebu.
